Dave's email implies he wanted to participate in meeting. Any particular reason he is staying back?

Hi Enrique,

That will be fine.

Greg is having sandwiches delivered here for everyone around 11:45 if you have time to swing by Carson City on your way to Yerington.

Otherwise we will see you there.

Jeryl

Hi Dave,

We are starting at 9:30 am here at NDEP offices at 901 S. Stewart St in Carson City. Enrique, you can head up to Greg Lovato's office on 4th floor; meeting room is on 5'th floor.

We should be wrapped up by 11:30, allowing for lunch before we have to leave for Yerington.

The Anaconda Roundtable meeting is at the Yerington Fire Station, at 118 South Main St, and the meeting begins at 2 pm, and should conclude by 5:30 or 6 pm.

Enrique, let me know if you need more information or clarity.

Thanks,  
Jeryl

Jeryl, Jeff,  
Good afternoon.  
EPA's Superfund Division Director Enrique Manzanilla needs the meeting information (time, location, agenda) for tomorrow's Anaconda meetings.  
Since I wasn't included as a participant I don't have the materials.  
If you can "reply to all" with the information (I've included Enrique on this message) or forward to Enrique the meeting invitation(s) I would greatly appreciate it.  
Thanks very much.  
All best,  
Dave Seter
